Boston University
The Institute for Human Sciences at Boston University serves as a forum for new, non-partisan debate, research, and education in the matters of international (especially transatlantic) relations, introducing European insights and experiences to American debates on major social and political issues, and bringing American perspectives to bear on European discussions. It is affiliated with the Vienna-based Institut für die Wissenschaften vom Menschen (IWM), an independent, interdisciplinary center for advanced study in the humanities and social sciences.
