There Is No Me Without You: 
One Woman’s Odyssey to Rescue Africa’s Children

Melissa Fay Greene  

In There Is No Me Without You, Melissa Fay Greene recounts the odyssey of Haregwoin Teferra, a middle-class Ethiopian woman who begins caring for AIDS orphans and running an unofficial orphanage and day school following the deaths of her husband and daughter. Greene, who has adopted two Ethiopian children herself, juggles political history, medical reportage, and personal memoir in a story of struggle and despair, but also of hope and renewed happiness of children welcomed by adoptive parents in Ethiopia, America and the world.
