MICHEL ROCARD is currently a member of the European Parliament and chairman of the Committee on Culture, Education, Youth, Sport, and the Media. He served as prime minister of France from 1988 to 1991 after a long career in government, holding office as minister of state, minister of planning and regional development from 1981 to 1983, minister of agriculture from 1983 to 1985, and first secretary from 1993 to 1994. He was also the mayor of Conflans-Sainte-Honorin from 1977 until 1994. Mr. Rocard joined the Parti Socialiste (PS) in 1974 and has been a member of its Executive Bureau since 1975.

MARK LILLA (RESPONDENT) is Professor in the Committee of Social Thought at the University of Chicago and the author of many influential books, including The Reckless Mind: Intellectuals in Politics (2001) and The Legacy of Isaiah Berlin (2001). He is former editor of The Public Interest and contributing editor to Partisan Review, and a frequent contributor to The New York Review of Books.
