## HARVEY L. NISSMAN APPOINTED INSTRUCTOR AT BOSTON UNIVERSITY SCHOOL OF MEDICINE

(Boston, Mass.)--Harvey L. Nissman of Brookline was recently appointed Clinical Instructor in Psychiatry at Boston University School of Medicine.

A graduate of State University of New York at Buffalo, Nissman received his doctorate at New York University.

Boston University School of Medicine is the site of several major interdisciplinary research centers, including the Hubert H. Humphrey Cancer Research Center and the Cardiovascular Institute of Boston University. The School is an innovator in medical education, offering several alternative curricula leading to the M.D. degree. Under the leadership of Dean John I. Sandson, M.D. the school has established a model low-interest revolving student loan fund to help students finance their medical education.
