Park for free and see the Tall Ships

Medical Center employees and their families who plan to commute in to the city this weekend to view the Tall Ships may park for free in BUMC's Lot S and receive free shuttle transportation to and from the MBTA's Broadway Station.

Lot S, located on the corner of East Brookline Street and Harrison Avenue, will be open and staffed from 9 a.m. to 7 p.m., this coming Saturday and Sunday, July 11 and 12. Employees will be allowed entrance into the lot upon showing their BUMC identification badges.

The complimentary shuttle service will run every half-hour and will pick up passengers at the entrance to Lot S and take them to Broadway Station, where they then may ride the "T" one stop to South Station, a short walk away from the hub of the Tall Ship activity.

For further details, contact the Hospital's Department of Security at x6880 (638-6880) during business hours or x6667 (638-6667) during non-business hours.
