Effective next Monday, Oct. 15, the current Lot A on East Newton Street will close permanently and the new A Lot will open on Albany Street opposite the Solomon Carter Fuller Mental Health Center.

Night, holiday and weekend parking. The new Lot A will not operate on Saturdays, Sundays, holidays or after patient visiting hours Monday through Friday. Employees and staff who used the former Lot A on weekends, holidays and nights will be accommodated in the Doctors' Office Building Garage. Beginning Oct. 15, operation of the DOB garage will be extended until 2 a.m. Monday through Friday and from 6 a.m. to midnight on weekends and holidays.

Vehicles to be properly registered. Staff and employees using the DOB garage on weekends, holidays and nights are required to have their vehicles properly registered with the BUMC Parking Office (L-310) and to have that registration displayed in accordance with the Medical Center's parking regulations. They also must remove their vehicles from the garage by 9 a.m. the following morning.

In addition, employees using the DOB Garage on weekends, holidays and nights must observe the following procedures:

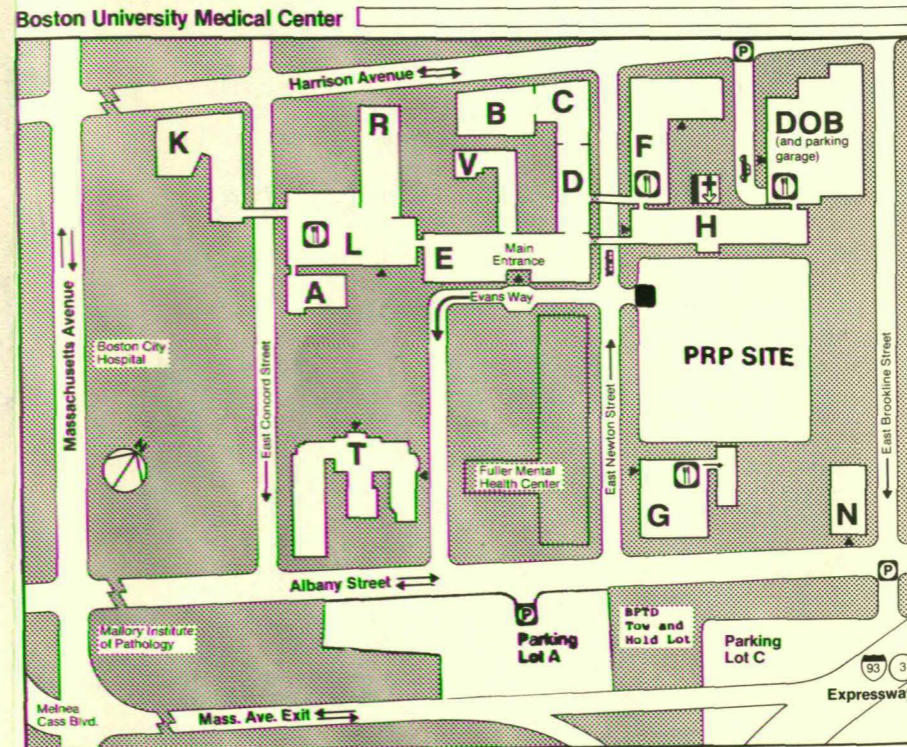

--The vehicle must be properly registered and identified by a valid BUMC parking sticker.

--If the vehicle is registered for Lot C, employees must present a Lot C (pre-payment) parking coupon or pay the appropriate DOB parking fee.

--If the vehicle is registered for Lot A through payroll deduction, no coupon or parking fee will be required.

--For security reasons DOB parking will be restricted to levels 2A, 2B or 3B.

Reserved-parking assignments. As reserved-parkers have been previously informed, new reserved-parking assignments will take effect on Monday, Oct 15. New stickers will be issued as soon as possible.
